

(5) Agree that each person who is subject to the easement will be jointly and severally responsible for compliance with the easement and the provisions of this part, and for any refunds or payment adjustment which may be required for violation of any terms or conditions of the easement or the provisions of this part.

§ 625.12 30-year contracts.

(a) To enroll land in HFRP through the 30-year contract option, a landowner will sign a 30-year contract with NRCS. The contract will require that the contract area be maintained in accordance with HFRP goals and objectives for the duration of the term of the contract, including the restoration, protection, enhancement, maintenance, and management of habitat and forest ecosystem functions and values.

(b) For the duration of its term, the 30-year contract will require, at a minimum, that the landowner and the landowner's assignees, will cooperate in the restoration, protection, enhancement, maintenance, and management of the land in accordance with the contract and with the terms of the HFRP restoration plan. In addition, the contract will grant to the United States through NRCS:

(1) A right of access to the contract area by NRCS or its representative;

(2) The right to allow such activities by the landowner as hunting and fishing, managed timber harvest, or periodic haying or grazing, if such use is consistent with the long-term protection and enhancement of the purposes for which the contract was established;

(3) The right to specify the amount, method, timing, intensity, and duration of the activities listed in paragraph (b)(2) of this section, as incorporated into the terms of the contract; and

(4) The right to perform restoration, protection, enhancement, maintenance, and management activities on the contract area.

(c) The landowner will:

(1) Comply with the terms of the contract;

(2) Comply with all terms and conditions of any associated agreement or contract; and

(3) Agree to the long-term restoration, protection, enhancement, maintenance, and management of the contract area in accordance with the terms of the contract and related agreements.

(d) A 30-year contract will:

(1) Be signed by the participant;

(2) Identify the amount and extent of cost-share assistance that NRCS will provide for the adoption or implementation of the approved conservation treatment identified in the restoration plan; and

(3) Include any other provision determined necessary or appropriate by the NRCS representative.

(e) Once the landowner and NRCS have signed a 30-year contract, the land will be considered enrolled in HFRP.

§ 625.13 The HFRP restoration plan development and Landowner Protections.

(a) The development of the HFRP restoration plan will be made through an NRCS representative, who will confer with the program participant and with the FWS and NMFS, as appropriate.

(b) The HFRP restoration plan will specify the manner in which the enrolled land under easement, 30-year contract, or 10-year cost-share agreement will be restored, protected, enhanced, maintained, and managed to accomplish the goals of the program.

(c) Eligible restoration practices and measures may include land management, vegetative, and structural practices and measures that will restore and enhance habitat conditions for listed species, candidate, State-listed, and other species identified by the Chief for special funding consideration. To the extent practicable, eligible practices and measures will improve biodiversity and optimize the sequestration of carbon through management that maintains diverse and high quality native forests to accomplish the goals of the restoration plan. NRCS, in coordination with FWS and NMFS, will determine the conservation practices and measures. The State Conservationist will develop and make available to the public a list of eligible practices, and will determine payment rates and cost-
